Description

The HM Series 73 (73 mm) MPS-73073 hole saw is a high-precision tool designed for clean, efficient cuts in a variety of materials. Its robust construction and optimized design allow for superior performance in drilling applications, ensuring durability and wear resistance. This hole saw is ideal for professionals who require reliable, high-quality tools in their daily work.

Made with high-quality materials, the MPS-73073 offers excellent cutting capacity in wood, plastic, and non-ferrous metals.

Its 73 mm diameter makes it a versatile option for different projects, from installing electrical systems to creating custom furniture.

- **Diameter:** 73 mm
- **Material:** Tungsten carbide (HM)
- **Applications:** Wood, plastic, and non-ferrous metals
- **Design:** Optimized for clean cuts
- **Durability:** High wear resistance
- **Compatibility:** Compatible with standard drills
- **Cutting depth:** Suitable for various applications
- **Use:** Professional and DIY
- **Finish:** Precise, chip-free cuts
- **Manufacturing:** High quality and precision in production

Specifications

EAN	4028655334949
Manufacturer	MPS
