Description

The HM Series 73 MPS-73083 hole saw is a high-precision tool designed for clean, efficient cuts in a variety of materials. With an 83 mm diameter, this saw is ideal for applications in wood, plastic, and composite materials, offering superior performance in woodworking and construction projects. Its high-quality construction ensures a long lifespan and wear resistance, making it a reliable choice for professionals and DIY enthusiasts.

- **Diameter:** 83 mm
- **Material:** Tungsten carbide (HM)
- **Cutting type:** Clean and precise
- **Applications:** Wood, plastic, and composite materials
- **Compatibility:** Compatible with standard drills
- **Cutting depth:** Suitable for various applications
- **Durability:** High wear resistance
- **Design:** Optimized structure for efficient performance
- **Use:** Ideal for professionals and DIY enthusiasts
- **Series:** 73

The MPS-73083 hole saw is an essential tool for those seeking quality and precision in their cutting projects.

Specifications

EAN	4028655072896
Manufacturer	MPS
