Description

The MPS-73086 HM Series 73 (86 mm) hole saw is a high-precision tool designed for clean, efficient cuts in a variety of materials. Its robust construction and optimized design allow for superior performance in drilling applications, ensuring durability and wear resistance. This hole saw is ideal for professionals who require reliable, high-quality tools for their projects.

- **Diameter:** 86 mm
- **Material:** Tungsten carbide (HM)
- **Cutting type:** Drilling in hard and soft materials
- **Compatibility:** Compatible with standard drills
- **Cutting depth:** Suitable for applications up to 50 mm
- **Design:** Saw body with sharp teeth for precise cuts
- **Use:** Ideal for wood, plastic, and non-ferrous metals
- **Finish:** Treated surface to reduce friction
- **Applications:** Construction, carpentry, and DIY projects
- **Durability:** High Wear resistance and extended service life

The MPS-73086 hole saw is an essential tool for those seeking quality and efficiency in their drilling work.

Specifications

EAN	4028655072889
Manufacturer	MPS
