Description

The HM Series 73 MPS-73102 hole saw is a high-precision tool designed for cutting a variety of materials, including wood, plastic, and non-ferrous metals. With a 102 mm diameter, this hole saw stands out for its durability and efficiency, thanks to its tungsten carbide construction, which ensures superior performance and a long service life. Its optimized design allows for easy installation in standard drills, facilitating its use in different applications, from DIY jobs to professional projects.

- **Diameter:** 102 mm
- **Material:** Tungsten carbide
- **Applications:** Wood, plastic, and non-ferrous metals
- **Cutting type:** Precise and clean
- **Compatibility:** Standard drills
- **Durability:** High wear resistance
- **Design:** Optimized for easy installation
- **Use:** Ideal for DIY and professional jobs
- **Range of use:** Woodworking and construction projects
- **Finish:** Smooth, chip-free cut

The The MPS-73102 hole saw is an essential tool for those seeking quality and precision in their cuts, ensuring optimal results in every project.

Specifications

Colour	Madera
EAN	4028655073176
Manufacturer	MPS

Material	Wood
