Description

The MPS-75014-1 diamond hole saw is a high-precision tool designed for drilling hard materials with ease and efficiency. With a 14 mm diameter, this saw is part of the 75 series, renowned for its durability and superior performance in professional applications. Its diamond structure allows for clean and precise cuts on a variety of surfaces, including ceramic, glass, and concrete, making it an ideal choice for construction and remodeling projects.

- **Diameter:** 14 mm
- **Material:** High-quality diamond
- **Use:** Drilling in ceramic, glass, and concrete
- **Series:** 75
- **Design:** Robust structure for greater durability
- **Compatibility:** Compatible with standard drills
- **Performance:** Precise and clean cuts
- **Applications:** Ideal for construction and remodeling projects
- **Ease of use:** Fast and efficient drilling
- **Recommendations:** Use with coolant to extend service life

The MPS-75014-1 is an essential tool for professionals seeking quality and efficiency in their drilling projects.

Specifications

EAN	4028655027643
Manufacturer	MPS
