Description

The MPS-75044-1 diamond hole saw, part of the 75 series, is a high-precision tool designed to drill through hard materials easily and efficiently. With a 44 mm diameter, this saw is ideal for construction, remodeling, and installation work, ensuring clean and durable cuts on a variety of surfaces, including ceramic, glass, and stone. Its robust design and diamond technology allow for superior performance, reducing working time and improving the quality of the finish.

- **Diameter:** 44 mm
- **Material:** High-quality diamond
- **Compatibility:** Compatible with standard drills
- **Use:** Ideal for drilling ceramic, glass, and stone
- **Durability:** High wear resistance
- **Design:** Optimized structure for precise cuts
- **Performance:** Fast and efficient cutting
- **Applications:** Construction, remodeling, and installation
- **Easy handling:** Lightweight and easy to use
- **Finish:** Clean, chip-free cuts

The MPS-75044-1 is an essential tool for professionals seeking quality and efficiency in their drilling projects.

Specifications

EAN	4028655067557
Manufacturer	MPS
