Description

The MPS-75083-1 diamond hole saw, part of the 75 series, is a high-precision tool designed to drill through hard materials with ease and efficiency. With an 83 mm diameter, this saw is ideal for construction, remodeling, and maintenance applications, allowing for clean and accurate cuts in a variety of surfaces, including ceramic, concrete, and stone. Its robust and durable design guarantees long-lasting performance, even under demanding working conditions.

- **Diameter:** 83 mm
- **Material:** High-quality industrial diamond
- **Compatibility:** Compatible with hammer drills and rotary drills
- **Cutting depth:** Up to 50 mm
- **Use:** Ideal for drilling ceramic, concrete, and stone
- **Design:** Heavy-duty steel body for durability
- **Performance:** Fast and efficient cutting with minimal heat generation
- **Applications:** Construction, remodeling, and maintenance
- **Finish:** Clean and precise cuts
- **Recommended use:** Professionals and DIY enthusiasts

The MPS-75083-1 is an essential tool for those seeking quality and performance in their drilling projects.

Specifications

EAN	4028655067595
