Description

The MPS-7530 diamond core bit kit is a comprehensive solution for professionals requiring high-quality drilling tools. Designed for durability and precision, this kit includes a variety of diamond core bits to suit different drilling needs in hard materials. Its compact and organized design allows for easy transport and storage, ensuring that each tool is always at hand when needed.

- **Diamond Core Bits:** Includes core bits of different diameters: 22 mm, 29 mm, 35 mm, 44 mm, 57 mm, and 68 mm.
- **Adapters:** Comes with adapters reference 5503 and 5505, which facilitate compatibility with various power tools.
- **Drill Bit:** Includes a drill bit reference 5529-1, designed to maximize drilling efficiency.
- **Materials:** Made with high-quality materials that guarantee a long service life and resistance to wear.
- **Use:** Ideal for drilling ceramic, glass, stone, and other hard materials.
- **Portability:** Compact case that allows for Easy transport and organization of tools.
- **Compatibility:** Designed for use with standard power tools on the market.
- **Precision:** Diamond core bits offer clean and precise cuts, reducing the risk of breakage.
- **Maintenance:** Easy to clean and maintain, ensuring optimal performance with every use.
- **Versatility:** Suitable for professionals in construction, plumbing, and DIY projects.
