[View product online](#)**Description**

The Velamp-CAP01 Lighthouse Hat in gray is an innovative solution for those seeking functionality and comfort during their outdoor activities. This hat is designed with a removable LED light, allowing for easy washing and recharging. Equipped with a 250 mAh lithium-ion battery, it offers efficient and long-lasting illumination. The front light features a USB plug, facilitating quick recharging via a computer, phone charger, or car USB port. Its lightweight and comfortable design makes it the ideal choice for various activities, such as dog walking, running, hunting, and camping, ensuring you always have your hands free and optimal visibility in low-light conditions.
