Description

The Velamp-SL212 DORY solar wall light is an outdoor lighting solution that combines contemporary design with advanced technology. Made of high-strength plastic, this device is designed to withstand impacts and harsh weather conditions, ensuring its durability and functionality. Its electronics are water-resistant, making it ideal for use in gardens, patios, balconies, and other outdoor spaces. This wall light features a 1.6W monocrystalline solar panel that allows for efficient charging during the day, while its 1200mAh lithium-ion battery ensures autonomous operation at night. As night falls, the DORY automatically turns on at 20% of its power, and upon detecting movement, it increases its brightness to 100%, providing both courtesy and security lighting.

- **Model:** Velamp-SL212 DORY
- **Type:** LED Solar Wall Light
- **Luminous Power:** 200 lumens
- **Material:** High-resistance plastic
- **Protection:** Impact and weather resistant
- **Electronic Protection:** Waterproof
- **Operation:** Automatic
- **Solar Charging:** 1.6W monocrystalline panel
- **Battery:** 1200 mAh lithium-ion
- **Applications:** Garden, terrace, balcony and outdoor spaces

Specifications

EAN	8003910116115
Manufacturer	Velamp
