Description

The multi-socket power strip with 3 sockets and a switch is a practical and safe solution for connecting electronic devices. Its white design blends seamlessly into various environments, while its 1.5-meter cable provides flexibility and convenience in placing your devices. This socket is equipped with a circuit breaker switch that includes an indicator light, allowing for easy control of the power supply.

- 3 sockets for connecting multiple devices simultaneously.
- Circuit breaker switch with indicator light for added safety.
- 1.5-meter-long cable, made of 3-wire 1.5 mm copper.
- Maximum power of 3500 watts and 16 amps, suitable for a wide range of appliances.
- Child protection to prevent accidents in environments with children.
- Durable materials, including polypropylene and copper, that guarantee durability.
- Connection at a distance of between 26 and 160 centimeters, adapting to different space requirements.

Specifications

High	5
Width	5
Colour	White

EAN	8435161461544
Manufacturer	FABRILAMP
Material	Copper
Measures	5X5X26
Weight (kg)	13,109
Depth	26
Cable cross-section (mm ²)	3G1.5
Nominal voltage (V)	230V
