Description

The 3-socket power strip with a switch is a practical and safe solution for connecting electronic devices at home or in the office. Its white design blends seamlessly into any environment, while its 3-meter cable provides flexibility and convenience in placing your devices. This power strip is equipped with a circuit breaker switch that includes an indicator light, allowing for easy control of the power supply.

- 3 sockets for connecting multiple devices simultaneously.
- Circuit breaker switch with indicator light for added safety and convenience.
- 3-meter-long cable, made of 1.5 mm² 3-wire copper.
- Maximum power of 3500 watts and current of 16 A.
- Child protection to prevent accidents with the sockets.
- Durable materials, including polypropylene and copper, that guarantee durability.
- Allows you to connect devices at a distance of between 26 and 310 centimeters.

Specifications

High	5
Width	5

Colour	White
EAN	8435161461551
Manufacturer	FABRILAMP
Material	Copper
Measures	5X5X26
Weight (kg)	13,11
Depth	26
Cable cross-section (mm²)	3G1.5
Nominal voltage (V)	230V
