Description

The 5-socket power strip with switch is a practical and safe solution for connecting electronic devices at home or in the office. Its white design blends seamlessly into various environments, while its 3-meter cable allows for greater flexibility in device placement. This socket is equipped with an illuminated power switch, making it easy to use and providing an extra level of safety.

- 5 sockets for connecting multiple devices simultaneously.
- Illuminated power switch for easy and safe control.
- 3-meter cable, made of 1.5 mm² 3-wire copper.
- Maximum power of 3500 watts and current of 16 A.
- Durable materials: polypropylene housing and copper conductors.
- Child protection for added safety in family environments.
- Connect devices at distances of 35 to 325 centimeters.

Specifications

High	5
Width	5

Colour	White
EAN	8435161449238
Manufacturer	FABRILAMP
Material	Copper
Measures	5X5X35
Weight (kg)	13,122
Depth	35
Cable cross-section (mm²)	3G1.5
Nominal voltage (V)	230V
