Description

The 6-socket power strip with switch is a practical and safe solution for connecting electronic devices at home or in the office. Its white design blends seamlessly into various environments, while its 1.5-meter cable provides ample flexibility for different configurations. This power strip is equipped with features that guarantee efficient and safe use.

- 6 sockets for connecting multiple devices simultaneously.
- Switch with indicator light for added safety and control.
- 1.5-meter-long cable, made of 3-wire, 1.5 mm copper.
- Maximum power of 3500 watts and current of 16 A.
- Child protection to prevent accidents with the sockets.
- Durable polypropylene construction, ensuring durability and resistance to wear.
- Connect devices at a distance of between 40 and 195 centimeters.

Specifications

High	5
Width	5
Colour	White
EAN	8435161449221
Manufacturer	FABRILAMP
Material	Copper
Measures	5X5X40
Weight (kg)	13,123
Depth	40,05
Cable cross-section (mm²)	3G1.5
Nominal voltage (V)	230V
