## Description

The 6-socket power strip with switch is a practical and safe solution for connecting electronic devices at home or in the office. Its white design blends seamlessly into any environment, while its 3-meter cable allows for greater flexibility in equipment placement. This power strip is equipped with a circuit breaker switch that includes an indicator light, making it easy to use and providing extra safety.

- 6 sockets for connecting multiple devices simultaneously.
- Circuit breaker switch with indicator light for added safety.
- 3-meter-long cable, made of 3-wire 1.5 mm copper.
- Maximum power of 3500 watts and current of 16 A.
- Durable materials: polypropylene housing and copper conductors.
- Child protection to prevent accidents with the sockets.
- Effective connection distance of 40 to 335 centimeters.

## Specifications

| | |
|---|---|
| High | 5 |
| Width | 5 |
| Colour | White |
| EAN | 8435161449290 |
| Manufacturer | FABRILAMP |
| Material | Copper |
| Measures | 5X5X40 |
| Weight (kg) | 13,124 |
| Depth | 40,05 |
| Cable cross-section (mm²) | 3G1.5 |
| Nominal voltage (V) | 230V |
