**3-socket + 2 USB power strip
with switch, 3500W power
supply, 1.5m cable**

Brand: FABRILAMP

Reference: FAB 166441315

Multiple power strip with 3 sockets and 2 USB ports, with illuminated on/off switch, in BLACK, with 1.5 meters of flexible 3-wire copper cable (1.5 mm²) and child safety protection. Maximum power rating: 3500 watts and 16 amps. Made with durable materials such as polypropylene and copper. Allows you to connect multiple electronic devices simultaneously at a distance of 28 to 178 centimeters. A wide range of extension cords of different cable lengths, with and without on/off switches, with and without USB ports, single or multiple, and even retractable, are available on our website.

[View product online](#)**Description**

The power strip is a versatile and functional solution for connecting electronic devices. With a black design, this power strip features three sockets and two USB ports, allowing you to charge and power several devices simultaneously. Its illuminated power switch provides additional control over the electrical supply, ensuring safety and convenience in daily use.

- Maximum power: 3500 W
- Rated current: 16 A
- 1.5-meter cable, made of 3-wire copper (3G x 1.5 mm)
- Materials: polypropylene and copper, ensuring durability and resistance
- Child protection for greater safety in family environments
- Connect devices at a distance of between 28 and 178 centimeters

This power strip is suitable for various applications, allowing the efficient connection of multiple electronic devices. Its practical and functional design adapts to different needs, offering a reliable option for home or office.

Specifications

High	4
Width	5
Colour	Black
EAN	8435161400444
Manufacturer	FABRILAMP
Material	Copper
Measures	4X5X28
Weight (kg)	13,13
Depth	28
Nominal voltage (V)	230V
