Description

The round ceiling light from the PEROTE series combines an elegant and functional design, ideal for stylishly illuminating any space. Its white and brown finish, along with a starry sky effect, adds a decorative and modern touch. Made of metal and polycarbonate, this ceiling light stands out for its inverted dome structure, which is not only visually appealing but also optimizes light distribution.

- Power: 60 watts
- Luminous flux: 5880 lumens
- Selectable light temperatures: 3000K (warm light), 4000K (neutral white), 6500K (cool white)
- Dimensions: 8 cm high, 49 cm in diameter
- Materials: metal and polycarbonate
- Control: remote control included
- Dimmer: allows you to adjust the brightness according to your needs

This ceiling light not only provides efficient lighting but also contributes to energy savings thanks to its integrated LED technology. Its versatile design adapts to different decorating styles, and it is available in various color and wattage combinations, allowing for personalized lighting in each space according to user preferences.

Specifications

High	8
Width	49
EAN	8435684358529
