**Eglon 60W ceiling light,
white/silver, 5880 lm, 49x49x8
cm, dimmable remote control**

Brand: FABRILAMP

Reference: FAB 245484510

Round ceiling light from the EGLON series in WHITE/SILVER. Made of metal and polycarbonate. Its simple and elegant design makes it ideal for combining with the variety of colors available in any room. This ceiling light features INTEGRATED LED TECHNOLOGY with 60 watts of power, 5880 lumens, and THREE SELECTABLE LIGHT TEMPERATURES (3000K-4000K-6500K): warm white, neutral white, and cool white. It includes a REMOTE CONTROL and DIMMING CONTROL, facilitating significant energy savings. It measures 8 x 49 x 49 centimeters. Also available in this series are ceiling lights in white/wood, white/black, white/silver, or white/leather, in 36 watts or 60 watts of power and in their corresponding sizes.

The Eglon ceiling light is a versatile and functional option for lighting interior spaces. Its round design in white and silver adapts to various decors, offering an aesthetic and modern solution. This ceiling light is made of metal and polycarbonate, guaranteeing durability and resistance, while its integrated LED technology provides efficient, high-quality lighting.

- Power: 60 watts
- Luminous flux: 5880 lumens
- Dimensions: 8 cm high and 49 cm in diameter
- Selectable color temperatures: 3000K (warm light), 4000K (neutral white), and 6500K (cool white)
- Remote control included for convenient and practical operation
- Dimmer switch to adjust the brightness according to your needs
- Materials: metal and polycarbonate

This ceiling light is presented as an energy-efficient option, thanks to its LED technology, which

contributes to a lower environmental impact. Furthermore, it is available in different color combinations within the same series, allowing for greater customization in choosing the right style for each space.

Specifications

High	8
Width	49
EAN	8435684358611
Manufacturer	FABRILAMP
Remote control	Yes
Material	Metal, Policarbonato
Measures	8X49X49
Weight (kg)	19,448
Power (W)	60
Maximum power (W)	60
Depth	49
Protection	IP20
Adjustable	Yes
Nominal voltage (V)	230V
Type of installation	Surface
Colour temperature	6500
