Description

The single-gang frame with IP55 claws in grey is an essential component of the Mureva Styl range, designed to offer a robust and versatile mounting solution for both indoor and outdoor use. Its flush design and compatibility with the Mureva Styl range make it an ideal choice for a variety of electrical applications. Made of polycarbonate (PC), this frame stands out for its resistance to chemical agents and its ability to withstand adverse environmental conditions.

- **Mounting:** Flush
- **Number of segments:** 1 segment
- **Dimensions:** 84 mm (length) x 44 mm (height) x 84 mm (width) x 19 mm (projecting depth)
- **Protection rating:** IP55, IK08
- **Flame resistance:** Self-extinguishing at 650 °C according to IEC 60695-2-1
- **Operating temperature:** -5...40 °C
- **Storage temperature:** -25...55 °C
- **Chemical resistance:** Resistant to alcohols, lactic acid, diluted ammonia, diluted bleach, soapy water, glass cleaners, and hydrogen peroxide
- **Quality labels:** AENOR, NF

This frame is a reliable option for those seeking durability and functionality in their electrical installations.

Specifications

Colour	Grey
EAN	3606480790010
Manufacturer	Schneider

Reference	SCHNEIDER MUR34108
Cable cross-section (mm ²)	84x44
