Product sheet

IP55 RECTANGULAR 105x150 mm box with 10 cones for electrical protection.

Brand: SCHNEIDER

Reference: IMPO ENN05007

Rectangular IP55 enclosure measuring 105x150 mm, designed to house 10 cones. Ideal for protecting electrical components in demanding environments. Its IP55 rating guarantees resistance to dust and water jets, ensuring optimal performance under various conditions.

Description

IP55 Rectangular Enclosure 105x150 with 10 Cones

The IP55 Rectangular Enclosure 105x150 with 10 cones is a robust and versatile solution for protecting electrical connections and components in demanding environments. Designed to offer high resistance to dust and water ingress, this enclosure is ideal for industrial and outdoor applications where durability and safety are paramount. Its rectangular structure allows for easy installation and efficient use of space, while its capacity to hold up to 10 cones makes it a practical option for various electrical configurations.

- **Dimensions:** 105 mm x 150 mm
- **Protection rating:** IP55, dust and water jet resistant
- **Material:** High-strength plastic
- **Capacity:** Holds 10 cones
- **Color:** Gray
- **Operating temperature:** -20°C to +60°C
- **Installation:** Surface mount
- **Included accessories:** Mounting screws
- **Recommended use:** Industrial and outdoor applications
- **Certifications:** Complies with electrical safety regulations
