

Product sheet

IP55 RECTANGULAR box 175x225 mm with 12 cones and high water resistance.

Brand: SCHNEIDER

Reference: IMPO ENN05013

Rectangular IP55 enclosure measuring 175x225 mm, designed to house 12 cones. Ideal for protecting electrical components in demanding environments. Its IP55 rating guarantees resistance to dust and water jets, ensuring optimal performance under various conditions.

Description

IP55 Rectangular Enclosure 175x225 12 Cones

The IP55 Rectangular Enclosure 175x225 12 Cones is a robust and versatile solution for protecting electrical connections and components in demanding environments. Designed to offer a high degree of resistance to dust and water ingress, this enclosure is ideal for industrial and outdoor applications. Its rectangular shape allows for efficient installation and optimal use of space, while its capacity to hold up to 12 cones facilitates cable and connection organization. Made with high-quality materials, it guarantees durability and safety in the handling of electrical systems.

- **Dimensions:** 175 mm x 225 mm
- **Protection rating:** IP55
- **Capacity:** 12 cones
- **Material:** Impact-resistant plastic
- **Color:** Gray
- **Operating temperature:** -20°C to +60°C
- **Installation:** Surface mount
- **Included accessories:** Screws and caps
- **Recommended use:** Industrial and outdoor environments
- **Certifications:** Complies with electrical safety regulations
