Description

The ARM wall mounting kit is designed to provide a robust and efficient solution for installing support systems in industrial and commercial environments. This kit allows for secure and stable mounting, ensuring the integrity of the mounted equipment. Manufactured from high-quality materials, the kit ensures durability and resistance to adverse conditions, facilitating its use in a variety of applications. Its modular design allows for quick and easy installation, optimizing assembly time and ensuring a professional finish.

- **Material:** High-strength steel
- **Load capacity:** Up to 200 kg
- **Dimensions:** 50 cm x 30 cm x 10 cm
- **Finish:** Corrosion-resistant epoxy paint
- **Compatibility:** Compatible with standard ARM systems
- **Installation:** Includes all necessary fixings
- **Use:** Ideal for industrial and commercial environments
- **Certifications:** Complies with international safety standards
- **Warranty:** 2 years against manufacturing defects
- **Origin:** Made in the European Union European

Specifications

EAN	3606480198984
Reference	SCHNEIDER NSYAEFPFSC
Series	Solera Mural
