Description

The Seta E 76.2mm Circular Plastic Protective Guard is an accessory designed to offer effective and durable protection in various applications. Its 76.2mm circular structure allows for versatile adaptation in different environments, guaranteeing the safety and optimal performance of the elements it protects. Manufactured with high-quality materials, this guard stands out for its impact resistance and ability to withstand harsh conditions, making it an ideal choice for industrial and commercial environments.

- **Diameter:** 76.2 mm
- **Material:** High-strength plastic
- **Color:** Mushroom E
- **Use:** Protection of components and equipment
- **Resistance:** High impact resistance
- **Applications:** Industrial and commercial environments
- **Installation:** Quick and easy
- **Durability:** Long service life
- **Compatibility:** Adaptable to different systems
- **Maintenance:** Requires low maintenance

This product is a An effective solution for those seeking a balance between functionality and protection in their daily operations.

Specifications

EAN	785901787365
Reference	SCHNEIDER ZB4BZ2105
Series	Solera Mural
