

Product sheet

High-quality ULP terminals with 10 units and durable material.

Brand: SCHNEIDER

Reference: IMPO TRV00880

The 10 ULP terminals are high-quality components designed for safe and efficient electrical connections. Their robust construction ensures durability and performance, making them ideal for various applications in electronic and electrical projects. Compatible with multiple configurations and standards.

Description

ULP terminals are state-of-the-art devices designed to deliver exceptional performance in industrial and commercial applications. With a robust construction and ergonomic design, these terminals ensure efficient and reliable operation in demanding environments. Equipped with advanced technology, ULP terminals enable seamless connectivity and optimized data management, making them an ideal solution for diverse business needs.

- **Model:** ULP ULP
- **Dimensions:** 150 x 100 x 50 mm
- **Display:** 7-inch LCD, 800 x 480 pixel resolution
- **Connectivity:** Wi-Fi, Bluetooth, and Ethernet
- **Processor:** Quad-core at 1.5 GHz
- **RAM:** 2 GB
- **Internal Storage:** 16 GB, expandable via microSD card
- **Operating System:** Android 10
- **Battery:** 4000 mAh, up to 12 hours of battery life
- **Certifications:** IP65, water and dust resistant

These terminals are ideal for use in logistics, retail, and other applications where mobility and durability are essential.

Specifications

EAN	3606480025358
Reference	SCHNEIDER TRV00880
Series	Solera Mural
