Description

The 10 Tetra comb side shields are essential components for the protection and optimal performance of your equipment. Designed specifically for use in aquariums and filtration systems, these shields offer an effective solution for maintaining the structural and functional integrity of the devices. Manufactured with high-quality materials, they guarantee durability and corrosion resistance, making them an ideal choice for aquatic environments. Its design allows for easy installation and a perfect fit, ensuring they stay in place during operation.

- **Material:** Corrosion-resistant plastic
- **Compatibility:** Designed for Tetra filtration systems
- **Quantity:** Pack of 10 side shields
- **Dimensions:** Standard size for a universal fit
- **Installation:** Quick and easy, no additional tools required
- **Color:** Clear for aesthetic integration
- **Use:** Ideal for freshwater and saltwater aquariums
- **Durability:** High impact and wear resistance
- **Maintenance:** Easy to clean and maintain
- **Functionality:** Improves filtration system efficiency

Specifications

EAN	3606480485251
No. of poles	4P
Reference	SCHNEIDER A9XPE410
Series	Solera Mural
