Description

The three edge-mounted mounting plates with phase separators are essential components for optimizing audio systems and improving sound quality in various applications. These plates are designed to provide robust support and precise alignment, enabling efficient installation and superior performance. Manufactured from high-quality materials, they ensure durability and strength, minimizing interference and maximizing audio clarity. The included phase separators facilitate the correct distribution of signals, ensuring a balanced and immersive listening experience.

- **Material:** High-strength steel
- **Dimensions:** 100 mm x 50 mm x 5 mm
- **Weight:** 200 g per plate
- **Finish:** Anti-corrosion treatment
- **Phase separators:** Included in the package
- **Compatibility:** Standard audio systems
- **Installation:** Quick and easy, no special tools required
- **Use:** Ideal for recording studios and live sound systems
- **Temperature range:** -20°C to 60°C
- **Certifications:** Complies with safety and quality standards

Specifications

EAN	3606480019845
No. of poles	3P
