Description

The Miño series single-lever kitchen faucet with a high, pull-out spout in matte silver is a modern and functional solution for any kitchen. Its elegant design in a matte silver finish integrates perfectly into contemporary spaces, while its high, pull-out spout provides exceptional versatility for washing dishes and cleaning the kitchen. Made with a robust 304 stainless steel body, this faucet guarantees durability and corrosion resistance. Equipped with a 35 mm cartridge, it allows for precise control of water flow and temperature. The pull-out spray head with push button makes rinsing and cleaning easier, while the swivel spout adds convenience for everyday use.
