Description

The EDM A4 numbered adhesive label (1-48) in green is an effective solution for identifying items in outdoor environments. Designed for high visibility and durability, this label is ideal for marking tools, equipment, and other objects that require clear and quick identification. Its A4 format allows for easy handling and application, ensuring that each number is legible and resistant to environmental conditions. The adhesiveness of the label ensures it stays in place, even on uneven or weather-exposed surfaces.
