## Description

The reusable wasp trap is an effective solution for controlling wasps, hornets, bumblebees, and other flying insects in outdoor spaces. Designed for use in areas such as pools, patios, gardens, and porches, this trap features a funnel-shaped entry system that allows insects to enter easily but prevents them from escaping. Its versatile design allows it to be hung or placed on a flat, stable surface, adapting to different environments and needs. It also includes a refill container, ensuring long-term functionality and facilitating maintenance.

- **Use:**Outdoor
- **Features:**Funnel-shaped entry
- **Type:**Reusable trap
- **Effective for:**Wasps, hornets, bumblebees, and other flying insects
- **Contents:**Container + refill
