Description

The Pro Spiral Curl CI5319 Styler is the ideal tool for those looking to create tight, long-lasting curls. Its 19mm barrel, made of ceramic and ionic tourmaline, guarantees a smooth, shiny finish, minimizing frizz thanks to its anti-static technology. With a maximum temperature of 210°C and 8 temperature settings, this styler adapts to different hair types and styles, allowing for rapid heating in just 30 seconds. Its design includes an on/off switch and an indicator light that signals when it's ready to use. It also features an automatic safety shut-off system after 60 minutes of inactivity, providing peace of mind during use. The cool safety tip and heat-resistant stand ensure a safe and comfortable styling experience, while the swivel cord facilitates maneuverability during use.
