Description

The Mystylist Styler is the ideal tool for those looking to create tight, defined curls with ease. Its 19 mm barrel, specifically designed for achieving perfect waves, features a ceramic coating that ensures even heat distribution, minimizing hair damage. This styler heats up in just 90 seconds, allowing for quick and efficient use. With a temperature setting up to 190°C, it adapts to different hair types, ensuring optimal results every time.

The Mystylist Styler's design includes an on/off switch with an LED indicator, making it easy to use. The cool tip and heat-resistant stand provide a safe and comfortable user experience. Additionally, its 1.8 m swivel cord provides freedom of movement, preventing tangles while styling.

For added peace of mind, the device features an automatic shut-off system that activates after 60 minutes of inactivity.
