Description

The 20V Mini Chainsaw is a compact and efficient tool designed to deliver exceptional performance for cutting tasks. With a 20V voltage and a speed of 3200 rpm, this chainsaw is ideal for gardening and outdoor maintenance. Its 4-inch (101 mm) bar has 26 links, allowing for precise and fast cuts. Tool-less chain tensioning technology makes adjusting the chain easy, while the release button ensures safe operation. With an idle speed of 4.8 m/s, this chainsaw combines power and control, allowing for easy cutting. The 20V Mini Chainsaw's design includes features that minimize vibration, with a level of 3,425 m/s², contributing to more comfortable handling during use. Furthermore, its sound pressure level is 78 dB(A), making it suitable for use in residential areas. This tool does not have an internal oil reservoir, which simplifies its maintenance. The compact dimensions of 35.5 x 8.3 x 23 cm make it easy to store and transport.
