Description

This 18-piece screwdriver set is an essential tool for any DIY enthusiast or professional seeking quality and precision in their work. Made with a robust chrome vanadium steel body, these screwdrivers guarantee durability and wear resistance. Each screwdriver features a phosphated magnetic tip, making it easier to grip screws and improving efficiency in assembly and disassembly tasks. The ergonomic handle design provides a comfortable grip, allowing for extended use without fatigue.

This comprehensive set includes 10 precision screwdrivers, ideal for delicate work, as well as 8 screwdrivers of varying sizes for more general applications.

The blue and red colors, along with a black plastic holder, ensure practical organization and easy access to the tools.
