Description

The 45-piece screwdriver set with holder is an essential tool for any DIY enthusiast or professional. Made of chrome vanadium steel, these screwdrivers offer exceptional durability and strength, ensuring optimal performance in a variety of applications. This set includes seven screwdrivers of different sizes, ranging from 3.5 x 75 mm to 8 x 150 mm, as well as precision screwdrivers and a bit and socket holder. The inclusion of a socket adapter and nine sockets of different sizes (5 to 13 mm) further enhances its versatility. In addition, the set features sixteen bits that allow you to tackle a wide range of screws, from the most common to the most specialized. Its magnetic design facilitates screw handling, preventing losses and improving work efficiency.

- **Material:**Chrome vanadium steel
- **Type:**Screwdrivers + holder
