Description

The 4-14 mm Stapler is an office tool designed for exceptional performance and durability. Its precision construction ensures smooth and efficient operation, while the long-lasting chrome finish protects the device from wear and corrosion. This model features an easily lockable lever for safe and comfortable use, as well as a robust steel mechanism that ensures effective and reliable stapling. The quick-release system makes loading staples easier, optimizing working time and increasing productivity.

- **Type:**Stapler
- **Locking:**Lockable lever and quick release
- **Features:**Precision construction
- **Sizes:**4 - 14 mm
- **Material:**Chrome plated and steel mechanism

This model is ideal for use in offices, schools, and homes, providing a reliable solution for all your stapling needs. Its ergonomic design and advanced functionality make it an indispensable tool for maintaining the organization and presentation of documents.

Specifications

EAN	6914280007267
Material	Cromado y mecanismo de acero
