Product sheet

Bubble level with magnetic base 90 cm

Brand: WORKPRO

Reference: EDM 21274

This 90cm aluminum spirit level is ideal for precision work. Its magnetic base ensures a firm hold on metal surfaces. Equipped with shockproof end caps and a large grip ring, it's easy to use. It offers an accuracy of 0.5mm per meter and includes three vials (45°, 90°, 180°). The V-shaped groove is suitable for round surfaces and pipes. It's blue and has a hanging hole.

Description

The 90cm magnetic spirit level is an essential tool for professionals and DIY enthusiasts seeking precision and durability in their projects. Made of aluminum alloy, this level features an oxidation treatment that guarantees a long lifespan and resistance to adverse conditions. Its design includes a magnetic base that allows it to be securely attached to metal surfaces, facilitating its use in various applications. Furthermore, its large grip ring provides comfortable and efficient handling, while the shockproof ferrules ensure the level remains in optimal condition even in demanding work environments.

- **Length:**900 mm
- **Material:**Aluminum alloy with oxidation treatment
- **Accuracy:**0.5 mm/1 m
- **Vials:**3 (45°/90°/180°)
- **Base:**Magnetic for attaching to metal surfaces
- **V-shaped groove:**Ideal for round surfaces and pipes
- **Fercillets:**Shockproof
- **Grip ring:**Large and comfortable to use
- **Hanging hole:**Facilitates storage
- **Color:**Blue
