Description

The 650 mm extendable magnetic pointer is an essential tool for professionals who require precision and ease of use in their daily work. Made of stainless steel, this pointer combines durability and strength, making it an ideal choice for demanding work environments. Its extendable design allows you to reach difficult places with ease, extending up to a total of 650 mm, providing greater versatility in its use. This pointer is perfect for picking up metal objects in tight or hard-to-reach spaces, ensuring efficient and hassle-free operation.

- **Material:**Stainless steel
- **Type:**Extendable magnetic pointer
- **Size:**650 mm
- **Features:**Extends up to 650 mm
- **Use:**Ideal for picking up metal objects
- **Durability:**High wear resistance
- **Design:**Compact and lightweight
- **Applications:**Workshops, garages, and maintenance work
- **Ease of use:**Simple extension and retraction
- **Maintenance:**Requires little maintenance thanks to its material

Specifications

EAN	6914280003900
Material	Acero inoxidable
Measures	650 mm
