Description

The foldable tool bag is a practical and functional solution for transporting hand tools and other small to medium-sized items. Measuring 41 x 23.5 x 27 cm, this bag is made of 600D polyester, a strong and durable material that ensures the protection of its contents. Its design includes a sturdy metal handle and an adjustable shoulder strap, making it easy to carry and adapt to different needs. The top opening allows quick and easy access to tools, while the exterior pockets are ideal for storing personal items, small tools, and accessories, keeping them organized and within easy reach. Available in black, blue, and red, this bag combines functionality and style.
