Description

The Magnetic Wrist Strap (285 x 75 mm) is an accessory designed to facilitate work in environments where tools and metal parts need to be readily accessible. Made of 600D polyester, this material offers high resistance and durability, ideal for daily use in workshops, construction sites, or DIY projects. Its compact and lightweight design allows for comfortable use, while the powerful integrated magnet ensures that metal objects stay firmly in place, preventing loss and improving task efficiency. The wristband easily adjusts to different wrist sizes, making it a versatile tool for any user.
