Description

Medium-sized, lightweight expansion struts are a versatile and efficient tool designed to facilitate various support and stabilization tasks. With an adjustable range of 60 to 115 cm, these struts offer two operating positions: one at 90° with a maximum load of 70 kg and another at 45° with a maximum load of 30 kg. Made of high-density steel tubing, they guarantee durability and strength. Their rotating ends are equipped with anti-slip pads, providing greater stability and safety during use. The product also includes a convenient carrying bag for easy storage and transport. Available in blue and red, these props are ideal for those seeking a hands-free solution, optimizing their time and effort on various tasks.

- **Type:**Expansion Props
- **Features:**Medium
- **Includes:**Carrying Bag
- **Contains:**2 units
- **Dimensions:**60 - 115 cm
- **Positions:**2 positions
- **Positions:**90° with a maximum load of 70 kg and 45° with a maximum load of 30 kg
- **Color:**Blue and Red
- **Features:**Rotating ends with anti-slip pads

Specifications

Colour	Azul y rojo
EAN	6914280060576
