Description

The 200 mm cable cutter is an essential tool for professionals and hobbyists who require precise and efficient cutting of cables up to 5 mm in diameter. Made of forged chrome vanadium steel, this cable cutter offers exceptional durability and wear resistance, ensuring optimal performance in a variety of applications. Its ergonomic design allows for comfortable and safe handling, facilitating work in confined spaces and improving efficiency in cutting tasks. The quality of the material used ensures that the tool maintains its sharpness and functionality over time, making it a reliable investment for any toolbox.

- **Type:**Cable Cutter
- **Size:**200 mm
- **Maximum Cutting Diameter:**Ø5 mm
- **Material:**Forged Chrome Vanadium
- **Ergonomic Design:**Improves comfort during use
- **Durability:**High wear resistance
- **Applications:**Ideal for electrical and telecommunications work
- **Maintenance:**Easy to sharpen and maintain
- **Weight:**Lightweight and easy to handle
- **Use:**Professional and home use

Specifications

EAN	6914280059969
Material	Cromo vanadio forjado
Measures	200 mm
