Product sheet

Multipurpose wire stripper

Brand: WORKPRO

Reference: EDM 21404

The multipurpose wire stripper is a versatile tool designed for stripping solid or stranded wires from 4-16 mm² and 0.2-2.5 mm², as well as 3-conductor flat electrical cables and RG59 and RG6 coaxial cables. It is easy to use, requiring only light pressure. It includes a removable sliding panel for easy cleaning of debris and a 3 cm square on top that provides various length measurements. It comes with a clear plastic storage case.

Description

The multi-purpose wire stripper is an essential tool for any electrician or DIY enthusiast. Designed to strip solid or stranded wires with a cross-sectional area ranging from 4 to 16 mm² and 0.2 to 2.5 mm², this device can also work with three-conductor flat electrical cables (3 x 2.5 mm² and 3 x 1.5 mm²) and RG59 and RG6 coaxial cables. Its operation is intuitive: with just a light touch, the wire stripper allows for clean and efficient insulation removal, facilitating work in various electrical applications. Furthermore, it features a removable sliding panel on the bottom for easy cleaning of debris, ensuring long-lasting, trouble-free use. Its compact and lightweight design makes it an easy-to-handle and store tool, ideal for carrying in any toolbox.

- **Type:**Wire Stripper
- **Includes:**Plastic case
- **Application:**Solid or stranded cables 4-16 mm²/0.2-2.5 mm²
- **Application:**Flat 3-conductor electrical cables 3 x 2.5 mm²/3 x 1.5 mm²
- **Application:**RG59, RG6 coaxial cable
- **Dimensions:**3 cm long square at the top
- **Design:**Lightweight and compact
- **Ease of use:**Simple operation with light pressure
- **Maintenance:**Sliding panel for debris cleaning
