Description

The 2+5+8 tool tray set is a versatile and functional solution for organizing tools at home or in the workshop. This set includes 15 pieces: 2 large, 5 medium, and 8 small trays, allowing for complete customization of your storage space. Their interlocking design makes it easy to combine the different trays, fitting most drawers and optimizing the use of available space. Made of durable, high-quality plastic, these trays are resistant to warping, ensuring a long lifespan and reliable performance in a variety of applications. Furthermore, the height-adjustable frame allows for use on conventional machine benches, providing greater flexibility in placement.
