Precision aluminum screwdrivers, 6-piece set

Brand: WORKPRO

Reference: EDM 21522

This precision aluminum screwdriver set includes 6 pieces, featuring a non-slip aluminum oxide alloy handle and S2 steel blades. It contains three flathead screwdrivers (1.5 mm, 2.0 mm, 2.5 mm) and three Phillips screwdrivers (PH00, PH0, PH1). The magnetic tips make screw handling and use easier. It comes in a clear plastic case, ideal for storage and transport.

Description

The 6-piece aluminum precision screwdriver set is an essential tool for any DIY enthusiast or professional who requires precision and durability in their work. Each screwdriver features an aluminum oxide alloy handle, designed to provide a non-slip grip for comfortable and secure use. The blades are made of S2 steel, known for its high strength and durability, allowing for optimal performance in precision tasks. Additionally, each screwdriver includes a magnetic tip that facilitates screw handling, preventing losses and improving work efficiency.
