Description

The 200mm flat rasp is an essential tool for any woodworking enthusiast or professional. Designed for optimal performance, it features aggressive teeth that allow for quick and efficient wood removal, facilitating roughing and finishing projects. Its flat shape is ideal for large surfaces, ensuring a uniform and precise finish. The handle, made of a bi-material material, provides a comfortable and secure grip, reducing fatigue during extended use. This rasp is perfect for those seeking a durable and effective tool for their woodworking tasks.

- **Size:**200mm
- **Type:**Rasp
- **Handle:**Bi-material
- **Shape:**Flat
- **Features:**Aggressive teeth for quick wood removal
