Description

The 200mm round rasp is an essential tool for any professional or hobbyist woodworker seeking a precise and efficient finish on their woodworking projects. Designed with aggressive teeth, this rasp allows for quick and effective material removal, facilitating work on curved surfaces and contours. Its round shape is ideal for shaping pieces of wood, allowing for optimal control during use. In addition, it features a comfortable bi-material handle that provides a secure grip and reduces hand fatigue, making it a practical choice for long workdays.

- **Size:**200 mm
- **Type:**Rasp
- **Handle:**Bi-material
- **Shape:**Round
- **Features:**Aggressive teeth for quick wood removal
- **Use:**Ideal for woodworking and wood shaping
- **Ergonomic Design:**Handle that reduces fatigue
- **Versatility:**Suitable for various woodworking applications
- **Durability:**High-quality materials for long-lasting use
- **Maintenance:**Easy to clean and maintain optimal

Specifications

EAN	6914280016849
Measures	200 mm
