Description

The 290 x 82 mm hand fork is an essential tool for gardeners and plant enthusiasts. Designed specifically for planting, transplanting, and growing bulbs, this fork combines functionality and ergonomics. Its black spray-painted finish not only provides a stylish look but also ensures greater durability and weather resistance. The bi-material handle offers a comfortable and secure grip, allowing for extended use without hand fatigue. It also features a large hanging hole for easy storage and organization in your workspace. The colors used in its design allow for easy location, ensuring the tool is always at hand when needed.
