Description

The 31-piece Mixed Tool Set is a comprehensive solution for those seeking quality and versatility for their DIY and maintenance projects. This set includes a selection of essential tools, made of chrome-vanadium steel, ensuring durability and wear resistance. The long-arm Allen and Torx wrenches allow easy access to screws in tight spaces, while the 200mm adjustable wrench provides flexibility for different sizes of nuts and bolts. Additionally, the 5m measuring tape facilitates precise measurements, and the utility knife with a sectioning blade is ideal for clean and safe cuts.
