Description

The 200mm flat file is an essential tool for any professional or DIY enthusiast seeking precision and durability in their finishing work. Made from SK2 steel, this high-quality material guarantees superior wear resistance, allowing for extended use without compromising its effectiveness. Its flat design facilitates the roughing and smoothing of surfaces, making this file a versatile option for a variety of applications. Additionally, it features a tricolor, non-slip handle that provides a secure and comfortable grip, minimizing fatigue during use.

- **Size:**200 mm
- **Handle:**Tricolor, non-slip
- **Type:**File
- **Shape:**Flat
- **Material:**SK2 Steel
- **Use:**Ideal for roughing and smoothing surfaces
- **Durability:**High wear resistance
- **Grip:**Ergonomic design for greater comfort
- **Applications:**DIY, woodworking, and metalworking
- **Color:**Tricolor handle for easy identification

Specifications

EAN	6914280002897
Material	Acero SK2
Measures	200 mm
