Description

The 200mm half-round file is an essential tool for professionals and hobbyists working with metal and wood. Made of SK2 steel, this file offers exceptional durability and strength, allowing for efficient and precise filing in a variety of applications. Its half-round design facilitates access to difficult areas and provides a uniform finish on curved and flat surfaces. The tricolor, non-slip handle ensures a comfortable and secure grip, minimizing fatigue during prolonged use.

- **Size:**200 mm
- **Handle:**Tricolor, non-slip
- **Type:**File
- **Shape:**Half-round
- **Material:**SK2 steel
- **Use:**Ideal for roughing and finishing work
- **Applications:**Metal, wood, and plastics
- **Ergonomic design:**Improves comfort and control
- **Durability:**High wear resistance
- **Versatility:**Suitable for various DIY and professional tasks

Specifications

EAN	6914280016771
Material	Acero SK2
Measures	200 mm
